

SION IMPROVEMENT DISTRICT
POLICY

TOLL REDUCTION POLICY – Oct 8, 2015

The board agreed unanimously to instate the following Policy:

The board has adopted the following guidelines for annual toll bylaw that contains the *italic* section:

The Improvement District will not reduce, unless by trustee resolution, any toll fixed in the preceding clauses in respect of any premises not occupied throughout any period. The owner or occupant can notify the District as to the time the premises become or are to become unoccupied and request the water supply to be shut off for the period when the premises are not occupied, subject to the charges levied under a Section of this bylaw.

- 1) Trustee resolution to be made on an annual basis and not on a per property owner request.
- 2) For this policy the resolution shall state that there are no reduction in toll. (The domestic valve is already in place at property line and service connection has already been made to SION valve which cannot be reversed)
- 3) The turn-off fee shall be the fee currently in use at time of turn-off.
- 4) The turn-on fee shall be the fee currently in use at time of turn-on plus any other related fees that may be in place at that time.

This policy shall be updated only if there are changes to the above mentioned section or guidelines.
